ART UNIT	PAPER
----------	-------

20041007

DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 7/20/2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Applicants amendments to the specification have erroneous insertion instructions. For example, page 124 line 27 of the specification is not at the beginning of a paragraph, and the paragraph at which that line is found bears no resemblance to the one in the amendment. Applicants are reminded that it is essential to work from a copy of the specification as it was submitted to USPTO, so that page and line numbers correspond to the official file. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Lorraine M. Spector. Dr. Spector can normally be reached Monday through Friday, 9:00 A.M. to 3:00 P.M. Effective 1/21/2004, Dr. Spector's telephone number is 571-272-0893.

If attempts to reach the Examiner by telephone are unsuccessful, please contact the Examiner's supervisor, Ms. Brenda Brumback, at telephone number 571-272-0961.

Lorraine Spector, Ph.D.
